Recently he headed off to Capella, Queensland to compete at the Australasian Team Roping Finals. This is the second year Clayton has been chosen. Year 7 History...

Year 7 History have begun their study of Ancient Egypt. After looking at ancient sources like mummified remains, tomb paintings and statues to determine what Ancient Egyptians looked like, 7R decided to apply their knowledge and recreate an authentic Egyptian look. Both males and females in Egypt wore makeup. It was for decoration but also protected their skin and eyes from infections and sunburn.

Rewards afternoon...

The end of term Safe Respectful Achiever's rewards afternoon is an event that many students look forward to as it is a time where students are able to relax and enjoy an afternoon of fun activities which acknowledges their outstanding behaviour and achievements of the Term.

Year 11 assisted in the planning, setting up and organisation of food platters, which was greatly appreciated by the students as all platters were empty by the end of the afternoon.

This Terms rewards afternoon consisted of the students choosing either to play a variety of fun and exciting board games or sitting down to unwind while watching a movie. The students who chose to watch the movies sat quietly, enjoying the delicious snacks provided by the school, all of which contained a 5 star health rating. The movie chosen got a big thumbs up from the students and they are to be commended for their behaviour. Some intense thinking and rivalry could be seen in the board games group with games such as Articulate, The Logo game and students spending up big in Monopoly. The board games group had some intense rivalry.

The afternoon is a way to celebrate students demonstrating our Safe Respectful Achiever expectations. Congratulations to all the students
