13th Sept 2018
Term 3 Week 8

Quote of the week
Everything you don't know
is something you can learn

Principal's report...

Our students continue to impress with their leadership in different areas. This week our Rural Fire Service (RFS) cadets graduated from their course and will compete at the State Championships in Temora, ably led by two former cadets John Raglus (Team Leader) and Jayde Byrne (2IC). We wish them well. I would also like to acknowledge the efforts of our 14 years boys relay team ,who finished 14th at State Athletics ,with a PB time of 51.25secs. Lachlan Riley then continued with his individual event, 0.4sec off his PB time. An outstanding effort and commitment from the team. Well done!

As our school community grows, in size and richness, we will soon be farewelling our Year 12 cohort and welcoming in a new year group. Our current Year 12 students have shown wonderful growth throughout their time at Gilgandra High School, making significant inroads in their learning and becoming fine young citizens. I couldn't be more proud of the way our current School Captains (Jasper Schembri, Abby Ryan, Andrew Dinsey and Meg Horan) have led their cohort through their meaningful engagement with their studies. We will farewell Year 12 at their Formal Dinner on Thursday 27th September and again at their Graduation Ceremony on Friday 28th September.

Transition for our Year 6 into 7 students has commenced and I would like to thank and acknowledge Mr Andrew McCutcheon for his work in this space. As the Year Advisor for next year's Year 7 students he has already built a strong rapport with the students and our partner primary schools, working with them to develop a schedule for weekly transition sessions in Term 4. We are all looking forward to nurturing these fine young students through our cultural, academic and wellbeing programs to help shape a strong and resilient generation of future leaders.

Driver Awareness training...

Gilgandra High School has joined forces with the local NSW Ambulance Service, Police, and Highway Patrol to promote safety awareness for young drivers.

Year 12 student William Herbert

The day included a practical demonstration of a scenario in which emergency responders need to remove a person from a vehicle involved in a crash.

Students heard from the SES about the physical impact of road trauma/rescue through a practical demonstration of equipment.

Gilgandra High School principal Neal Reed says the importance of driver safety cannot be overstated, and the consequences surrounding poor driver choices could have wide-ranging impacts.

Year 11 Design and Technology...

Henry Johnson, Tyler Edwards, Connor Aspinall, Sarah Schier and Lauren Henry

Year 8 Technology Mandatory...

Year 8 Technology Mandatory have been busy working on their pants this term. These girls are the first to finish their shorts and pyjamas with elasticised waists and very neat hems, they are now working on additional projects. Some of the other students have included side pockets, patch pockets, drawstrings and long pants. Amber Tarrant, Abby Tate and Sarah Schier modelling their shorts.
